# 01 ChatGPT

FREE

Category: **Writing & Ideas**

## Best All-Around AI Tool for Beginners

ChatGPT is the most versatile free AI tool available. Use it to write blog posts, social media captions, emails, product descriptions, YouTube scripts, and more by typing plain English instructions. No technical skills required. The free plan is sufficient for most beginner tasks and there is no credit card needed to sign up.

<b>Free Plan</b>	Free plan at <a href="https://chat.openai.com">chat.openai.com</a> — no credit card needed
<b>Paid Plan</b>	\$20/month (Plus) — faster responses, GPT-4 access
<b>Best For</b>	Content writing, brainstorming, research, email drafts, YouTube scripts
<b>Website</b>	<a href="https://chat.openai.com">chat.openai.com</a>

### BEGINNER TIP

*Be specific in your prompts. Instead of 'write a blog post', say 'write a 500-word beginner guide about Canva AI with H2 headings and bullet points, friendly tone.'*  
*Specific prompts produce much better results every single time. Use AICashCraft's free ChatGPT Prompt Generator for ready-made expert prompts — no writing needed.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if ChatGPT is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any ChatGPT-related task instantly, no writing needed.

# 02 Canva AI

FREE

Category: **Design & Graphics**

## Best Design Tool — Zero Skills Needed

Canva AI gives you 250,000+ free templates for social media posts, YouTube thumbnails, presentations, eBook covers, and more. The AI Magic Design feature creates a complete design from a simple text description in seconds. No design background or artistic skills required. The free plan includes everything a beginner needs to start creating professional-looking graphics immediately.

<b>Free Plan</b>	Free plan — 250,000+ templates, unlimited designs
<b>Paid Plan</b>	\$15/month (Pro) — premium templates, Brand Kit, background remover
<b>Best For</b>	Social media graphics, thumbnails, eBook covers, presentations
<b>Website</b>	<a href="https://canva.com">canva.com</a>

### BEGINNER TIP

*Start with a template closest to what you need, then change colors, fonts, and text. Your first design takes 10-15 minutes. On mobile, the Background Remover is also included free — very useful for removing backgrounds from product images quickly and easily.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Canva AI is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Canva AI-related task instantly, no writing needed.

# 03 Grammarly

FREE

Category: **Writing Quality**

## Best Tool for Improving Your Writing

Grammarly checks grammar, spelling, clarity, and tone in real-time as you type. It works inside WordPress, Gmail, Google Docs, and most websites through a free browser extension — automatically improving every piece of content you produce without any extra steps needed. Install it once and it works everywhere you write from that point on.

<b>Free Plan</b>	Free browser extension — works everywhere, no usage limits
<b>Paid Plan</b>	\$12/month (Premium) — tone detection, full style suggestions
<b>Best For</b>	Blog posts, emails, social media captions, client deliverables
<b>Website</b>	<a href="https://grammarly.com">grammarly.com</a>

**BEGINNER TIP**

*Install the free Chrome extension first — it activates inside the WordPress editor automatically. Before publishing any blog post or sending any client deliverable, run it through Grammarly to catch mistakes. Takes 2 minutes and significantly improves writing quality.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Grammarly is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Grammarly-related task instantly, no writing needed.

# 04 CapCut

FREE

Category: **Video Editing**

## Best Free AI Video Editor for Beginners

CapCut is 100% free and handles everything a beginner needs — AI auto-captions in 20+ languages, background music, background removal, transitions, viral templates, and one-click noise removal. The script-to-video feature turns a written script into a complete video automatically. No editing experience or timeline knowledge required to get started and produce quality video content.

<b>Free Plan</b>	100% free — unlimited exports, no watermark on most features
<b>Paid Plan</b>	\$9.99/month (Pro) — advanced AI features and premium effects
<b>Best For</b>	YouTube videos, TikTok, Instagram Reels, faceless YouTube content
<b>Website</b>	<a href="https://capcut.com">capcut.com</a>

### BEGINNER TIP

*Turn on 'Auto Captions' for every video you create — captioned videos consistently get significantly more views across all platforms. Use the viral template library to quickly produce trending-style content without starting from scratch. Both features are completely free.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if CapCut is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any CapCut-related task instantly, no writing needed.

# 05 Leonardo AI

FREE

Category: **Image Generation**

## Best Free AI Image Generator

Leonardo AI generates high-quality images from text descriptions with free daily credits — no credit card required to sign up. Use it to create blog featured images, digital art for Etsy, product mockups, social media visuals, and YouTube thumbnails. No design skills or software knowledge needed. The free plan provides approximately 150 images per day for regular use.

<b>Free Plan</b>	Free daily credits — approx. 150 images/day, no card required
<b>Paid Plan</b>	\$12/month (Apprentice) — more credits, faster generation
<b>Best For</b>	Blog images, digital art, Etsy products, thumbnails, mockups
<b>Website</b>	<a href="https://leonardo.ai">leonardo.ai</a>

### BEGINNER TIP

*Write detailed descriptions for consistently better results. Include subject, art style, colors, mood, and lighting in your prompt. Example: 'A flat-lay laptop on a dark navy desk, golden hour lighting, minimalist photography style.' More detail consistently produces significantly higher quality and more relevant images.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Leonardo AI is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Leonardo AI-related task instantly, no writing needed.

# 06 Notion AI

FREE

Category: **Productivity**

## Best All-in-One Productivity Workspace

Notion AI combines task management, note-taking, content planning, and AI writing assistance in one clean workspace. It replaces several separate apps with a single organized system. The free plan includes unlimited pages — far more than enough for any beginner to organize their work, content calendar, client projects, and daily tasks all in one accessible and searchable place.

<b>Free Plan</b>	Free plan — unlimited pages, basic AI features included
<b>Paid Plan</b>	\$10/month (Plus) — unlimited AI usage, advanced features
<b>Best For</b>	Content calendars, task tracking, note-taking, blog planning
<b>Website</b>	<a href="https://notion.so">notion.so</a>

### BEGINNER TIP

*Search for 'content calendar' inside Notion to find a free template. Set it up in 15 minutes and use it to plan blog posts, social media, and client work all in one place. This single habit saves hours of scattered planning every week — highly recommended for all beginners.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Notion AI is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Notion AI-related task instantly, no writing needed.

# 07 Pictory AI

FREE

Category: **Text to Video**

## Best Tool to Turn Text Into Videos Automatically

Pictory AI converts blog posts and scripts into complete videos with relevant stock footage, auto-captions, and background music included. Perfect for bloggers who want to repurpose written content into YouTube videos without learning video editing. No camera, no microphone, and no editing skills needed to produce professional-looking video content from any written article or script.

<b>Free Plan</b>	Free trial — 3 video projects to test the full platform
<b>Paid Plan</b>	\$19/month (Starter) — unlimited projects, HD export
<b>Best For</b>	Blog-to-video, YouTube content, repurposing written content
<b>Website</b>	<a href="https://pictory.ai">pictory.ai</a>

### BEGINNER TIP

*Paste a blog post URL directly into Pictory — it automatically reads the article and creates a video with relevant stock footage in minutes. This is the fastest way to turn existing blog content into a YouTube video without recording, editing, or spending hours in front of a camera.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Pictory AI is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Pictory AI-related task instantly, no writing needed.

# 08 ElevenLabs

FREE

Category: **AI Voiceover**

## Best Free AI Voiceover Generator

ElevenLabs generates natural-sounding AI voiceovers from text in minutes. It is the most popular tool for faceless YouTube creators and podcast producers who want professional audio without recording their own voice. The free plan provides enough credits for several short videos per month. Voice quality is significantly more natural than other free alternatives currently available.

<b>Free Plan</b>	Free plan — 10,000 characters/month (approx. 7 min of audio)
<b>Paid Plan</b>	\$5/month (Starter) — 30,000 characters/month
<b>Best For</b>	YouTube voiceovers, faceless videos, podcast intros, audio content
<b>Website</b>	<a href="https://elevenlabs.io">elevenlabs.io</a>

### BEGINNER TIP

*Try several different voice options before choosing your final voice — some sound significantly more natural than others for different content types. The 'Rachel' and 'Adam' voices are popular for educational content. Always generate a short test clip before creating your full voiceover to check quality and pacing.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if ElevenLabs is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any ElevenLabs-related task instantly, no writing needed.

# 09 Quillbot

FREE

Category: **Paraphrasing**

## Best Tool for Paraphrasing and Rewriting

Quillbot rewrites and paraphrases text in different styles — Standard, Fluency, Formal, Simple, Creative, and more. Use it to improve AI-generated drafts, rewrite existing content more uniquely, or simplify complex writing for beginner audiences. It also includes a built-in summarizer and grammar checker. The free plan is sufficient for most beginner rewriting tasks.

<b>Free Plan</b>	Free plan — paraphrase up to 125 words at a time
<b>Paid Plan</b>	\$9.95/month (Premium) — unlimited words, all 8 writing modes
<b>Best For</b>	Rewriting AI drafts, paraphrasing content, simplifying text
<b>Website</b>	<a href="https://quillbot.com">quillbot.com</a>

### BEGINNER TIP

Use 'Simplify' mode on ChatGPT output to make it more readable. AI often writes in a slightly formal and complex style. Running it through Quillbot's Simplify mode makes content sound more natural and beginner-friendly — especially important when writing educational blog posts for a beginner audience.

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Quillbot is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Quillbot-related task instantly, no writing needed.

# 10 Otter.ai

FREE

Category: **Transcription**

## Best Tool for Transcription and Automatic Notes

Otter.ai automatically transcribes meetings, interviews, and audio recordings into searchable text in real time. Perfect for content creators, freelancers, and students who want instant written notes from any conversation or audio recording without typing manually. Works seamlessly with Zoom, Google Meet, and Microsoft Teams to capture every meeting automatically.

<b>Free Plan</b>	Free plan — 300 minutes of transcription per month
<b>Paid Plan</b>	\$10/month (Pro) — 1,200 minutes/month, advanced AI summaries
<b>Best For</b>	Meeting notes, interview transcription, audio-to-text, research
<b>Website</b>	<a href="https://otter.ai">otter.ai</a>

### BEGINNER TIP

*Record yourself talking through a blog post idea for 5 minutes, let Otter transcribe it automatically, then paste the transcription into ChatGPT and ask it to turn it into a structured blog post. This voice-to-blog workflow is significantly faster than typing an outline or draft from scratch every single time.*

**Free at AICashCraft.com:** Use our free AI Tool Finder Quiz to check if Otter.ai is the right tool for your goals — takes 60 seconds. Also try our free ChatGPT Prompt Generator for expert prompts for any Otter.ai-related task instantly, no writing needed.
